Hello Silvers Community!!

Hopefully everyone had a productive summer break! I am excited both to be back at SMS and to see where this school year takes us! I would also like to take the time to welcome Kim Barhaug onboard our Math Department. We share her with the high school. Also, Brittany Hillson will be joining us from the Elementary School to work in Student Nutrition. Finally, Cooper decided we are way cooler than the High School so will be rejoining us as well.

I hope everyone is excited for the 2021-2022 school year. Our staff is currently hard at work preparing to welcome students back into the building, **starting August 16th. The school day will run from 7:50-2:20. 6<sup>th</sup> Grade Orientation will be Thursday, August 11<sup>th</sup> from 6-7 PM.** We are also inviting students and families in either 7<sup>th</sup> or 8<sup>th</sup> grade who haven't attended Seward Middle School before to swing by to get a tour of the building. Open house for all grades will happen once school starts, and we will send the dates out to you all.

We are all ready to get back to school and look forward to working with you all this year. Please keep an eye on the website and Facebook page for any updates throughout the school year, and don't hesitate to give me a call or shoot me an email. I will be reaching out to the incoming 6<sup>th</sup> Grade Families in the coming days to welcome you to Middle School and answer any questions you may have!

Thanks,

Matt Potter
