| 2 | <p>Update on KPBSD Mitigation plan: some KPBSD schools are piloting draft changes to the mitigation plan. After the piloting period is up, the plan is to allow all KPBSD schools to participate in the plan changes. More to come on that after the plan is moved from draft and piloting is complete.</p> |
| 3 | <p>Review of Skyview budgets. Discussion regarding our first sports associated concessions stand and the potential to offer that to other sports programs this year. This is currently something we are trying, however it seems as though we have parent support to continue offering concessions to raise funds to sport programs.</p> |

<p>4</p>	<p>2021-22 Site Council Goals—Ms. DuFloth</p> <ul style="list-style-type: none"> ● Student Council Update - Mrs. DuFloth wrote a letter to Mr. Dosko and the KPSAA Executive board regarding the stipend for our student council program. The board met and the letter was presented, however we have not received additional communication regarding our request. We will continue to monitor this request and provide additional information to the board upon request. ● Mrs. DuFloth gave an update on our previous year’s Site Council goal of having 6th grade incorporated at Skyview. This is something that is still being discussed, however with the current enrollment at Skyview and RCA we do not foresee this happening under our current configuration. We do understand that this topic is being put on the back burner, and will be revisited if our school configuration changes.
