## **New Business:**

SBC voted by email on dress code interpretation

**If you would please respond to this email by 4pm Tuesday answering the question: “Are these types of shirts allowable with our current dress code?”**

**(Shirts altered by cutting the collars and necklines off far enough to be worn off both shoulders with no visible undergarment or shirt underneath, but with low necklines and large areas of exposed back and shoulders down to just above the elbow in some cases.**

**Amin interpretation is that the phrase from the handbook, “strapless or spaghetti straps not allowed” prohibits the shirts when worn off the shoulders. If this is not the intent, we would like clarification.**

Respondents unanimously stated that it was not allowed.

Purpose of SBC and bylaws reviewed, Possible SBC goals

Principal’s report- Rocketry incident recap and reflection. Concerned Community member reported possible gunshots around Skyview, troopers responded very quickly. and reflection on how to make things better next time. Beth Swaby suggested a monthly Choose your Own adventure in homeroom to review possible scenarios such as bear on the trail or injury in the shop. How Skyview will cover required health lessons. Beth Swaby recommended the 4<sup>th</sup> R curriculum. It was also suggested that Kenai Public Health would be available to come teach lessons if needed, It was also suggested that Nurse Jess could help teach lessons if needed.
