

S'MORES

Summer Months are Open for Reading Everywhere

What a great opportunity to have fun reading your favorite books over the summer when your Summer Months are Open for Reading Everywhere: in the car, on the banks of the river, while you're camping, right before bed, and anywhere else you can think of reading.....take a book with you!

Soldotna Elementary is proud to sponsor the eighth annual summer reading program in which all students are invited to participate! All you have to do is **record your daily reading** minutes on the monthly calendars on the back of this form. If your child is a non-reader, **record the minutes that someone reads** to them during the summer.

All participants who return the reading log (on the back of this form) by August 19th with some summer reading recorded will receive a **certificate** and a cool **bookmark!**

All participants who read at least **150 minutes** each month on the summer reading calendar will receive a **certificate**, a cool **bookmark**, and a free **book!**

All participants who read at least **300 minutes** each month on the summer reading calendar will receive a **certificate**, a cool **bookmark**, a free **book**, and a SMORE's summer reading **t-shirt!**

In the fall, when we return to school we will be having an assembly to celebrate the summer reading in style!
