Dear Parent(s) and Guardian(s):

Recently the Alaska Department of Education & Early Development (DEED) released the 2023-2024 Report Cards to the Public for each school district and school in Alaska. These Report Cards present information about performance for the 2023-2024 school year. During this third administration of The Alaska System of Academic Readiness (AK STAR) assessment, students in grades 3-9 were assessed in English Language Arts and Mathematics. Students in grades 5, 8, and 10 took the Alaska Science Assessment.

To view a 2023-2024 School or District Report Card to the Public, go to https://education.alaska.gov/compass/report-card. Once there, you will be able to select which School or District Report Card to the Public you wish to view. This user-friendly website aims to provide families with clear, common information about all public schools and districts in our State. These Report Cards to the public contain data and information about academics, school environment, teacher quality, and more. If you are unable to access the Report Card to the Public online, please contact your student's school.

We know that the Report Card to the Public is just one of many ways you will engage with us at Soldotna Elementary. We look forward to sharing our school's successes with you and working together to make our school better every day. We are proud that at Soldotna Elementary the report card to the public shows us doing well in a variety of areas. Please be sure to explore the QR code below and check the "accountability indicators" tab showing our robust academic growth compared with our peer schools locally and the state generally as well as the "educator quality" tab describing the highly experienced teachers that are working with your children.

We hope you will closely follow your student's academic progress and work with his or her teacher(s) to help ensure academic success. Working together as a team, we can improve not only how well our students are performing individually, but how our school and district is performing as a whole. There is nothing more important to administrators and teachers at Soldotna Elementary than ensuring that students are ready for the next step in their academic career. We look forward to partnering with you.

If you have any questions or concerns regarding our School or District Report Card to the Public, please don't hesitate to contact us at (907)260-5100

Sincerely,

Austin Stevenson, Ph.D
Principal
