

Soldotna High School Student Handbook 2026-2027

Mission Statement

Empowering Soldotna HS students to explore and identify their interests and values in order to achieve lifelong success.

Vision Statement

Every Soldotna HS student will be a lifelong learner who is equipped to pursue his or her interests and post-secondary opportunities. We aspire to develop students who possess the critical thinking skills, essential knowledge, integrity, grit, and social connections needed to thrive in an ever-changing world.

Welcome:

The administration and staff would like to take this opportunity to welcome you to Soldotna High School. The information in this folder has been carefully prepared to help you succeed at SoHi. This information is in compliance with Board of Education policies, copies of which are available in the Principal's office. The support staff, teachers, counselors and administrators are all here to assist you with your education.

Academics:

Soldotna High School is committed to academic excellence. Students should choose those classes and programs that enable them to reach their potential. The National Honor Society (NHS) recognizes those students who have reached the highest possible level of achievement and leadership in academics. Membership in NHS is based on those students who have a cumulative GPA of 3.6 or higher and have completed two advanced classes. The selection criterion for Valedictorian/Salutatorian is based on the student's cumulative GPA for the four-year high school curriculum and participation in a minimum of four advanced classes. See Counseling/Guidance at the end of the section under academics for a list of these courses.

Withdrawal or transfer from school: Parent or guardian must notify the office via a written letter 2 days in advance of the student moving or transferring.

Add/Drop Procedure: Students may add/drop classes for 2 weeks prior to the start of any semester. Students must complete add/drop form sent to them via KPBSD email from the Counseling office. Requests will be granted depending on enrollment numbers, individual student academic requirements, and completion of prerequisites. If students choose to add/drop after this time, they will get an NG on their transcript for the class(es) dropped. If they drop a class after 20 days from when the class started, then they will get an F on their transcript.

Online Course Attendance: It is the expectation that students attend classes in person at Soldotna High School. Students who are enrolled in online classes may apply for an exception to this policy on a quarterly basis. In order to be granted an in-person attendance waiver for online classes, students must:

1. Not be subject to an Attendance Contract.
2. Have a C average or higher in the online course(s) in which they are enrolled.
3. Have admin approval BEFORE they can begin missing the in-person component.
4. Understand that the waiver may be revoked at any time by SOHI administration.

Incompletes: In order to accommodate students in extenuating circumstances, teachers may assign a grade of "incomplete". Any incompletes not made up within 2 weeks automatically become "Fs". Exceptions will be made with "504 Accommodation Plans". Any grade changes after the two-week period will require an administrator's signature.

Graduation Requirements:

H.S. Diploma: 22 credits for students scheduled to graduate in the year 2006-2007 school year and subsequent years.

English 4 credits Practical/Creative Arts 3 credits
Social Studies 3 credits Physical Education 1 credit
Math 3 credits Health .5 credits
Science 3 credits Electives 4.5 credits

Valedictorian/Salutatorian:

The selection criterion for Valedictorian/Salutatorian is based on students with the highest cumulative grade point average based on Soldotna High School and KPBSD coursework. The grade bump for Advanced Placement coursework from outside of KPBSD will be factored in for class rank, but not for the purpose of determining the valedictorian or salutatorian (s).

Valedictorian and Salutatorian status will be determined seven calendar days prior to graduation.

AP Courses:

At Soldotna High School, the master schedule is based on student course requests. With this in mind, students will not be scheduled for an AP course until they have the AP Course Contract signed and on file with their school counselor. Students are committed to remain in their enrolled AP class for at minimum one full semester.

AP Exams:

Soldotna High School Counselors will only proctor AP exams for AP classes that are taught at Soldotna High School. Students who choose to enroll in an AP course through a distance education program or outside provider are responsible for arranging their own AP exam testing site and securing an AP proctor. Soldotna High School Counselors will only offer AP testing on the original dates they are scheduled; late tests will not be proctored by Soldotna High School Counselors.

Attendance Policy:

When an absence occurs: Parents or guardians must either call the office at 260-7000 between 7:30 and 8:30am or send a note the day the student returns to school to excuse the absence.

All absences must be excused within 24 hours of the student's return to school. If absences are not excused by the next day, the student may be suspended and the absence will be listed as an unexcused absence or truancy.

Home Release Eligibility: Home release is only available to 11th/12th graders. Eligible students must have parental consent on file. Home Release may be revoked by SOHI administration if students reflect failing grades in their courses.

According to Alaska State Law, a student missing 10 consecutive days can automatically be withdrawn. Attendance at school is an integral part of the learning process and the high school experience of each student. Earning credits in each course is dependent upon both the quality of work submitted and attendance in class.

In an effort to underscore the importance of attendance, Soldotna High School will enact the following attendance policy for **each semester** of the school year:

- When a student reaches 5 absences in a class period for reasons unrelated to school programs, school administration will require a parent conference. In this conference, pertinent staff will review current performance in the class, graduation plan progress, and create a plan to improve attendance moving forward.
- When a student reaches 10 absences in a class period for reasons unrelated to school programs, the student will be placed on an attendance contract. This will serve as formal warning of the possibility that credit will not be achieved unless the agreed upon plan is implemented with fidelity. The student, his/her parent or guardian, school counselor, teacher of class in question, and school administration will sign the contract to make every party aware of the dangers of continued Unexcused Absences, up to and including denial of credit for the course.
- When a student reaches 15 absences in a class period for reasons unrelated to school programs, credit for the course will be denied by Soldotna High School. The members of the team on the student's attendance contract will develop a plan for recovery of the credit, if necessary.

Credit Denial due to excessive absenteeism: When a student violates the attendance expectation of Soldotna High School, it is policy to deny credit in courses in which the child has exceeded the allowed number of unexcused absences, regardless of grade in that class. Parents/guardians will receive written notice that their child will not be receiving credit. If the parent/guardian and student agree to enter an attendance contract, this will serve as a documented intervention, and if all parties fulfill their obligations, will allow SOHI to grant credit for classes in which the student has earned passing grades.

Prearranged Absences are excused absences arranged in advance. To obtain a prearranged absence the student must do the following:

1. Bring a note from home to the attendance office and pick up a form.
2. Circulate form among teachers whose classes will be missed and collect homework.
3. Return form to the attendance office. Prearranged absences may affect a student's grade and will count toward the 15-day attendance policy.

Make-Up Policy:

- **Excused absence:** Students who miss class time must assume responsibility for obtaining make-up work. Students have two days for each excused day they are absent up to a maximum of 5 days. There are three exceptions: First, there are absolute due dates that are announced far in advance. Even if absent, these assignments/projects are due on the assigned date. Second, if a student misses only the day of a test or the day a project is due, the test must be made up or the project must be turned in on the day the student returns. Third, if a student is found truant he/she will not be permitted to make up the work missed. Make-up work will be done outside of the regular class period so that the student will not be behind in his/her present class responsibilities.
- **Prearranged Absences:** (including school related) Students have the responsibility to get assignments before leaving. Work for prearranged absence is due upon return to class.

Student Tardiness to Class

Prompt arrival to class helps to minimize classroom disruptions and maximize instructional time. For this reason, tardiness is discouraged by the staff at Soldotna High School. In an effort to communicate this priority to the students, the following tardy policy will be implemented for **each quarter** of the school year:

- Students who reach a cumulative total of 10 tardies across all classes will be assigned after-school detention.
- Additional detention will be assigned at every multiple of 5 following the tenth tardy.
- Students who accumulate 15+ tardies across all classes will be placed on the "No Fly List" meaning that they are not allowed to leave a class during class time without a staff escort, their Open Campus privileges are revoked (if applicable), and they are subject to appropriate disciplinary action including Parent Shadowing and Community Service or others as decided by school administration. Student athletes who have reached this level will not be allowed to participate in practices on days they receive a tardy.
- Students who accumulate a total of 20+ tardies across all classes in a Quarter will be subject to further disciplinary actions including Lunch Detentions, In-School Suspension, Class-to-Class Staff Escort, and more as deemed appropriate by school administration.
- **Students arriving at school after the tardy bell** must sign in at the office and obtain an admit slip to class. Students may not attend any dance or other after school extra-curricular activity if they were not in attendance on the day of the activity.

Hall Passes:

Students must complete a SmartPass Digital Hall Pass before leaving class during instructional time. During class time, students should not be in the hall without a pass from the office or a teacher. Passes will be periodically checked in the hall by the staff. The pass should show the time the student left and destination. Students leaving classes too often and/or students who regularly go over time for their passes are subject to pass limitations and/or disciplinary action by administration.

Daily sign out pass:

If students need to leave the building, they must have written or oral permission from parents or the school nurse to obtain a pass from the attendance office and sign out. Upon returning to school, students must check back in at the office with the pass. Students who are 18 years old or older may check themselves out if the proper form has been filed in the front office. Please see the Attendance Secretary for a copy of the form.

AWOL Policy (Away Without Leave):

In order to ensure the highest levels of safety on campus, Soldotna High School students are provided with scheduled classes and directed to remain in supervised areas at all times. If a student chooses to deviate from their regularly scheduled classes/activities, to access unsupervised areas, or to leave the campus without prior clearance, that student is deemed AWOL (Away Without Leave).

Because student health and safety are the top priority of the administration and staff of SOHI, being AWOL is a behavior that is subject to disciplinary action. The following is a list of consequences:

- **1st offense**—Parent Contact and After School Detention
- **2nd offense**—Parent Contact, 2 days of After School Detention, and referral to iTEAM or IEP Addressed (if applicable), loss of Open Campus privileges (if applicable)
- **3rd offense**—Parent Meeting with Administration and Community Service
- **4th offense**—Out of school suspension
- **Any further offense**—Consequence to be determined by Administration Team of SOHI

Discipline:

The school district conducts an instructional program for the benefit of pupils living in the school district. It is desirable to have all pupils remain in school until they have graduated from senior high school. Every resource available to the school district and the parents shall be used to achieve this purpose.

Students are expected to be reasonably diligent in carrying out their school obligations. Failure to be diligent in study or in adhering to school regulations means that a student is guilty of misconduct and may lose the privilege of attending school. Students will be given every opportunity to achieve scholastic success, but those who persist in creating behavioral problems will be subject to disciplinary action and/or suspension. District policies will be closely followed in disciplinary situations involving any substance use.

A copy of the district's handbook has been provided to each student. Students are responsible for knowing the contents. A discipline code has been established by the Kenai Peninsula Borough School District. The school administration or staff will address questions about this code. District policy and due process will be closely adhered to in all discipline issues.

Detention:

Infractions or violations of the rules may result in a detention assignment. Detention is held after school on Monday through Thursdays from 2:30pm to 3:30pm. Failure to report will result in an interaction for insubordination and 3 hours of community service. The following rules govern the expected conduct in detention:

1. Students are to bring sufficient schoolwork for the entire detention session.
2. Students will be assigned seats determined by the supervisor.
3. No talking, eating, drinking, or sleeping will be allowed.
4. **No electronics are allowed (cell phones, wireless headphones, etc).**
5. Students will not be allowed to leave the room.
6. Absences from or schedule changes to a student's detention must be approved by an administrator in advance of the scheduled detention.

Suspension:

Soldotna High School uses both a detention program and out-of-school suspension. All students are provided a copy of the discipline policies. Students who are disciplined are required to fulfill the assigned discipline before readmission to the regular school program. Parent meetings will be held when needed to resolve discipline issues.

Alcohol and Drug Policy: Refer to KPBSD Policy Manual BP5131.6

- If the student's attire is purposely divisive or intends to cause upset in others with an opposing viewpoint or if it threatens the health or safety of any other person, then discipline for dress or

grooming violations should be consistent with discipline policies for similar violations.

- If a student's attire causes a disruption to the educational environment, SOHI administration will address the student and/or contact parents.

Computers/Technology:

Computers and technology have become an integral component of education. Students are given the opportunity to work and use computers on a daily basis. Students who abuse, vandalize, steal or access or manipulate inappropriate material, will be handled according to district disciplinary codes. Students may be suspended and/or have the privilege of using computers revoked due to inappropriate use. Students should refrain from altering desktops, systems configurations, and other hard drive set-ups without prior permission from school staff. Students will be referred to local law enforcement agencies should it be deemed necessary. Computer misuse can be considered a felony offense and district officials will take each offense very seriously and evaluate it based upon investigation results. Soldotna High School is working hard to develop a comprehensive technology program.

Electronic Devices: To maintain a focused and respectful learning environment, Soldotna High School has established the following cell phone policy for all students:

1. Cell Phone Visibility and Use in Classrooms

- Students with lockers may elect to **store phones in their lockers** during the school day to reduce distractions and protect personal property.
- Phones brought into classrooms may **not be visible** on desks, in laps, in pockets or in hands during class time. Students must store them in their backpack or bag during class, from bell to bell.
- Cell phones must be **turned off or set to silent and kept out of sight** during all class periods.
- Headphones, smartwatches, and other accessories are prohibited for use during class time as well.
- Violations of these expectations initiate the consequences below.

2. Consequences for Policy Violations

- **1st Offense:** Phone and/or accessory is collected by a classroom teacher and turned into the front office until the end of the day; student may pick it up.
- **2nd Offense:** Phone and/or accessory is collected by a classroom teacher and turned into the front office until the end of the day; parent/guardian must retrieve it from the front office.
- **3rd Offense and Beyond :** Phone and/or accessory is collected by a classroom teacher and turned into the front office until the end of the day; parent/guardian must retrieve it from the front office. Additionally, progressive discipline, which may include detention, loss of phone or technology privileges on campus (Technology Management Plan), or other administrative consequences.

3. Acceptable Use Times

- Students may use their phones **before school, during passing periods, and at lunch**, unless otherwise restricted by staff.
- All use of personal electronic devices during school times or during school sanctioned events is subject to the KPBSD Acceptable Use Policy.

4. Special Considerations

- If a student needs access to their phone for medical reasons or other approved accommodations, they must have documentation on file with the administration.
- The school is not responsible for lost, stolen, or damaged phones.

Athletics:

A good program of interscholastic competition is available to Soldotna High School students. We encourage you to participate. To be eligible to participate in any sport, a student must meet scholastic requirements established by the district and the state and have parental consent coupled with a current physical. Remember, participation in athletics is a privilege not a right. Students should see the Athletic Director for further information. Regarding athletic fees, if student-athletes have participated in practices but have not competed and decide to withdraw from a sport, athletic fees can be refunded. Once student-athletes have competed in a game, athletic fees will not be refunded.

Fees can be refunded if students are injured and cannot medically participate or if they have a family emergency that requires that they withdraw from the sport or at the coach's discretion. If students who are medically unable to participate have competed in less than half the season, fee refunds can be prorated. If students who are medically unable to participate have competed in at least half the season, no fees will be refunded. Students who are

medically unable to participate and choose to remain on the team and travel with the team will not have fees refunded.
