Dear Parent/Guardian:

Board Policy AR 3550 extends credit to students without lunch or meal money by allowing students to charge up to two meals. These charges must be paid before additional meals can be charged.

In an effort to ensure that parents/guardians are aware of and have consented to the charges, we are requesting that this form be completed at the beginning of the school year. Parents/guardians can choose whether or not to allow their student to charge meals. If authorized, the maximum charges which can be accrued are as follows:

Kindergarten – 6th Grade	\$12.00
7th – 12th Grade	\$13.00
Reduced Price Meals	\$ 0.80

- I authorize my student to charge meals. By doing so I understand that I am ultimately responsible for paying the cost of such meals and that my student will not be able to charge more than the maximum charge unless I pay the balance in full.
- I do not authorize my student to charge meals.

Please note that if we do not receive this form, the student will not be able to charge meals.
