SCHOOL LUNCH INFO UPDATE

NEW KPBSD LUNCH PAYMENT POLICY CHANGE

Students whose lunch account balance is empty are no longer able to charge a meal without a completed KPBSD OPT-IN FORM. Parents were able to select the OPT-IN option during registration. Students whose parents have OPTED IN ensure that their child can charge up to two [2] meals if a student's lunch balance becomes empty. SMCS families are encouraged to complete this form (even if your child primarily eats a lunch from home). We will send a paper form home in this Thursday's folder.

SMCS STUDENT LUNCH SUPPORT

SMCS students whose families have not opted-in for the 2 meal charge option and who also have an empty lunch account balance will be able to get a lunch from the school office. SMCS is also able to take donations and will use those funds to purchase a school lunch for students who are not able to get a lunch due to an empty lunch account balance AND not having an completed opt-in form allowing them to charge up to two [2] meals.

OPT-IN FORM FOR CHARGING UP TO 2 MEALS

Please look for a paper Opt-In Form in this Thursday's folder. It is recommended that families complete this option.

HOW CAN I HELP?
