Parent Volunteers—Thank You

We are so thankful for our parents who have been helping and volunteering in our school this past month. Here are the many ways parents have supported our students this year: reading with students in class, chaperoning an overnight field trip, preparing field trip meals, digging potatoes, preparing for our Farmers' Market, cooking for Peace Night, supplying food for Peace Night, preparing Thursday folders, updating bulletin boards, coaching Battle of the Books. This is a pretty lengthy lists and highlights the importance of having parent volunteers helping in our school. Thank you to all of you who have shared, and plan to share, in our work of providing award winning education to our students.

Peace Night Summary

Wow! What a great evening. It was so nice to have so many families in attendance at peace night. We were proud of our host students, and of course the participation of our parents and family members in singing "One Voice," as well as adding a message of peace to our posters. I know there are a lot of competing events, and it was so good to see our community come together and enjoy each other's company and support the message and desire for peace.

October 4th Election Info

KPBSD has proposed a school bond that will be available for voter consideration during the October 4th, 2022 Regular Election. A portion of the bond includes a plan for relocating SMCS and is an item that may be important for our families to be aware of and consider.

Please note this opportunity to vote is next week on Tuesday. Put it on your calendar and make time to get to your polling place to record your choice.

Student Kindness

At SMCS our motto is "Kindness is Cool." We are seeing evidence of this every day among students: in classes, at recess, and on field trips.
