5/18	Last Day Of School

**Art Night
Volunteers
Needed**

Academic Policy Committee Positions Open

The APC is looking for interested parents to serve as APC parent committee members. The APC will have two open parent member seats beginning in the 23-24 school year. The positions are 3-year terms.

Application are available at the school website, and must be submitted to Mr. DeVold via email by April 8 at 3:00 p.m. The Academic Policy Committee supervises the academic operation of a charter school and ensures the fulfillment of the mission of the school. Please consider fulfilling this important role for our school.

State Testing & Cell Phones

Guidance from the State is that no cellphones will be allowed in the testing environment this year. That mean not even in backpacks turned off (which is our policy). If your family has opted to provide a cell phone to your child, please leave them at home during your student's testing days (March 31-April 7). If that is not a workable option, we will be collecting phones as students enter the room and storing them in the office. We will return them to the students after the test session has ended for the day.

Class Placement Requests

It is time to begin considering class placement requests for next year. Class placement requests will be handled with an online form, and a link to the form will be provided to our families next week. The online form will be available for use by only our families with kindergarten or 3rd grade students. Completion of the form is optional, and we will make every effort to accommodate requests. If you have questions, please contact the school.

The PTO is looking for volunteers for Art Night on 4/12/23 - Please see the flyer in today's folder.
