

# Soldotna Montessori Parent Teacher Organization

Welcome to the 2023-2024 school year! We are excited to be back and off to a great start. Some of our fun events provided by the PTO include the hay maze, craft night, winter tubing, fundraisers including the cookie train, art night, teacher appreciation, buddy benches, and so much more.

Most of our involved parents have moved up with their children to other schools. We need family involvement to continue to provide our amazing programs and services for our students and staff. Please consider joining our Parent Teacher Organization.

Are you interested in being a part of our amazing school family? Do you want to be involved with during and after school programs and events? We need you!!

**Tuesday September 5th at 4:00pm**

Located in Mrs. Dixon's room- If you cannot attend but would like to be involved, please return this form with your information. You can also follow us on Facebook for volunteer opportunities.
