Student Kindness

At SMCS our motto is "Kindness is Cool." We are seeing evidence of this every day among students: in classes, at recess, and on field trips.

Peace Night Summary

Wow! What a great evening. It was so nice to have so many families in attendance at Peace Night. We were proud of our host students, and of course the participation of our parents and family members in singing "One Voice." Hopefully, those Peace Rocks will be a great reminder for folks either at home or in the community to consider peacefulness. I know there are a lot of competing events, and it was so good to see our community come together and enjoy each other's company and support the message and desire for peace.

Parent Volunteers—Thank You

We are so thankful for our parents who have been helping and volunteering in our school this past month. Here are the many ways parents have supported our students this year: reading with students in class, chaperoning an overnight field trip, preparing field trip meals, cooking for Peace Night, supplying food for Peace Night, preparing Thursday folders, updating bulletin boards, coaching Battle of the Books. This is a pretty lengthy lists and highlights the importance of having parent volunteers helping in our school. Thank you to all of you who have shared, and plan to share, in our work of providing award winning education to our students.
