

Robotics Club Permission Form

Students in grades 4 – 6 are invited to join our after school Robotics Club.

We will have two clubs this year, a club for grades 5&6 which will work on the First Inspires Lego League Challenge, and a club for grade 4 which will be an introduction to Lego robotics. Mr. DeVold & Mrs. Brenner will meet with the 5th & 6th grade club. Mrs. Johnson will meet with the 4th grade club.

We will be drawing students' names from submitted permission forms on September 14th. The first ten names drawn from grade 4 will be invited to participate, and the first ten names drawn from each grade (5-6) for a total of 20 students, will be invited to participate for grades 5&6. The remaining students will be placed on a waiting list in the order their names are drawn. Forms returned after the drawing will not be accepted.

Ask your child to bring his/her application directly to the office. Or, you may submit/deliver the form to the office in person.

- The 4th grade club will meet on Tuesdays after school
 - The 5th & 6th grade club will meet on Tuesdays & Wednesdays after school
 - Students will meet in Mr. Faris' or Mrs. Moore's room when school is dismissed for the day
 - A snack will be provided
 - Parents must pick up their child at 4:45
 - The first club meeting date will be Tuesday, September 26th
-
