

Soldotna Montessori Charter School

## 2024 K-6 Winter Concert Notice

Dear Parents and Guardians,

This year's K-6 winter concert is scheduled for **Wednesday, December 11<sup>th</sup>**. The concert is at the Soldotna High School auditorium and will begin at 6:30 PM. All students need to arrive at the high school at 6:10PM to meet their teachers to line up to get on stage for the show.

**Concert Dress:** This year's concert will have a country/old time bluegrass theme. This is reflected in some of the music to be performed. All performers need to be dressed in formal clothing for the evening concert but are welcome to modify their attire to show a country-western or bluegrass flair if they would like. Please do have your performers dressed in their best performance clothing. Winter colors, holiday colors, or black and white are allowed. Boys should be dressed in nice pants and a collared shirt. For boys, ties are optional but do look nice. Girls can choose a formal dress, or appropriate skirt with leggings and a nice performance shirt, or nice pants with a nice shirt. All shoes or cowboy boots should be clean and nice. No sweats, hoodies, worn out jeans, or jeans with holes in them. All concert attire must be school appropriate. Unfortunately, cowboy hats will not be allowed when performing on the stage as they will impede the view to the conductor for others.

**Winter Concert Rehearsal Field Trip Notice and Permission Forms:** There will be a morning field trip to rehearse at the high school on the same day as the concert. All kindergarten through sixth grade students attend. Please check for any announcements about the field trip with the classroom teacher and Montessori school. The field trip buses to SOHI will leave first thing in the morning to rehearse at the SOHI auditorium. Most classes will return to the school before recess and lunch. The kindergarten students will have a shorter rehearsal and will be back in the building on an earlier bus.

**Volunteers:** We will need volunteers to help with various tasks for the concert and the rehearsal. These tasks include decorations, prop design, passing out the program, video recording the concert, guitar and ukulele tuners, concert clean up helpers, and moving all instruments back to the elementary music room after the concert, Please contact me if you can help volunteer with any of these tasks.

Please feel free to contact me with any questions or concerns that you may have about this concert and the rehearsal.

Sincerely,  
Tor Dahl
