

SMCS

THE SPIRIT OF KINDNESS

The Spirit of Kindness
program lets our school
family support each other
during the holiday season

We are encouraging requests
from SMCS families who would
welcome assistance during the
holiday season.

Assistance requests will be
shared anonymously with
families interested in shopping
for requested items.

Please return request forms by
November 26.

Forms can be found in your
child's news folder, online or
on The Spirit of Kindness
bulletin board in our school
hallway.
