

Spirit of Kindness

This is your opportunity to assist SMCS students & families this Christmas season by purchasing gift requested for families in need.

How it works: Choose a present, call the office (260-9221) to get more information, shop for requested items and return unwrapped items to the office by Wednesday Dec 17th.
Call the office about other opportunities to assist this season.
If gift is grayed out, the child is taken care of.
