Old Business

- Member recruitment update – need parent and community members
 - Continue to encourage any and all parent and community members to join in our meetings as guests or members
- Instructional Aide Positions
 - Filled 1 and ½ positions – these positions end at the end of this school year
- Site Council Goal
 - Continue to encourage families to be involved in Sterling Elementary. Plan a big Sterling birthday bash for August 2024 (first opened in August 1964)

New Business

- Title 1 plan review 22.23

- Reivewed our current plan as a staff. Discussed that our greatest challenge is still students with behavioral difficulties that require more than the classroom teacher to support.
- Currently discussing how best to plan for our ½ FTE teacher allocation. Pre-K or to lower class sizes in the K/1 group? Or as a behavior intervention?
- Our pre-k goal is met because we have maintained a full program all year
- Our literacy goal is showing progress. Students are showing growth despite not showing proficiency.
- Title 1 planning 23.24
 - Will send a survey to families and the community to see how many pre-k students are potentially out there and whether there is a high need to continue a program. This will help to determine how to plan for the ½ time position.
- District Budget Meeting
 - Council watched the district budget meeting to learn about funding for the upcoming school year.

Future meeting dates are tentative and subject to change:

Contact Mrs. Kelly if you have items to add for future agendas

- Next Meeting – April 4 at 4:30 pm
