- Site Council goal – final preparations for birthday party
  - Birthday party is ready to go. When writing up the report for the district, will include the number of people who attended to see how successful we were with involving the community and parents to our school.

## New Business

- 24-25 Principal Search Process and Input Survey with Superintendent Holland
  - Superintendent Holland, Director Eric Pederson provided information regarding how the new principal will be selected.
  - Interviews were set for Thursday, April 11
- Planning for 24-25 school year
  - Title 1 School wide plan discussion for 24-25 school year
    - Finalized needs assessment. Many concerns still around literacy, math and behavior. Determined that these needs outweigh allocating our .5 FTE from Title 1 to pre-k.
    - Will continue to have a .5 Title 1 Tutor position next year
  - Staffing updates for 24-25 school year
    - Due to declining enrollment, Sterling is losing one teaching position.
