- I. Call meeting to order
- II. Approval of agenda: 1<sup>st</sup> Christy, 2<sup>nd</sup> Jane
- III. New Business:
  - a. Project Grad: Jane, Kenny and Selina shared regarding the ambitions and next steps for 6<sup>th</sup>-12<sup>th</sup> graders. These goals include motivational speakers, professional development for staff, ideas to raise academic achievement and increase graduation rates over the next four years. If we have ideas for family activities that they can help to support, such as purchasing books, we should call them. Also, Selina is available to counsel our students and Kenny/Selina have been helping support us bi-weekly with SEL lessons and Dana with science lessons.
  - b. Fab Lab: We had three Fab Lab employees spend three days with our kids teaching the students and staff how to use their lessons, materials and equipment. They did a wonderful job!
  - c. AK Challenger: We are still working on getting parent signatures so we can begin this program.
  - d. Cultural Language: Vide Kroto is meeting with our kids via zoom weekly (over a three day period) to teach culture and language. Edna has been assisting.
  - e. Hydroponics: Not sure when this will begin since Christy Cincotta is moving to a new job.
  - f. Salmon Project: We received our eggs, thanks to Nicole Swenson and Jillian and AK Fisheries. We are excited to watch their cycle again this year.
  - g. MAPS testing: We are in the process of testing as many of our students as possible before the October 15<sup>th</sup> deadline.
  - h. Activities: Race #2 (led by Girl Scouts/Little Chiefs), Volleyball, Talent Show (led by Girl Scouts/Little Chiefs), Haunted House "Maze"
  - i. Title 1 Video: Go to KPBSD.org; Departments; Instructional Services; Federal Programs; KPBSD Federal Programs Overview 2019
  - j. "If/When We Go Red" - Your preferences (see attached questionnaire): We took a vote of parents and staff and students and the results were about equal for either two days a week (AB days with half the school at a time and Wednesday planning/cleaning days) or four half-days of instruction.
