4. Old Business:

- Testing: Spring 2021 PEAKS, AIMS/ MAPS
- Student goal setting

\*\* PEAKS Testing (except for Science in grade 5, 8, and 10) is being replaced in Spring 2022 with a state summative assessment NWEA MAPS test. The TDA (Text Dependent Analysis) will be likely replaced with a constructive response writing sample. Our Fall NWEA MAPS, and AIMS assessment is providing a starting point for student goal setting confers teachers are having with students. This information will be shared during our Parent/ Teacher Conferences at the end of the month.

5. New Business:

- DRAFT School Development Plan (academic/ SEL objectives)  
\*\* By May of 2021, third through twelfth grade students will make annual growth in reading as measured by the MAP assessment. By May of 2021, second grade students will make annual growth on AIMS ORF assessment. By May of 2021, kindergarten students will make annual growth on AIMS LSF assessment. With mentorship from school staff, students will establish and maintain positive relationships by respecting others, practicing social skills, and making responsible choices.
- 2021-2022 KPBSD District- wide calendar
- Tebughna School Monthly Character Development Themes  
\*\* Kenai Peninsula Project Grad. shared about their RISE and POWER Grants which focused on K-12 educational resilience, and continuing supporting students with learning and staying curious about their world. Mr. Kenny, Ms.

Selina, and Ms. Alex are supporting Tebughna School this year with post-secondary support, SEL skill building, and academic support.
