May 15<sup>th</sup> is our annual garbage clean-up day. May 20<sup>th</sup> is our school-wide field day. The Voznesenka PTA will be providing burgers, hot dogs, and smores for lunch on field day.

#### ❖ **Assessments:**

Last year's AK Star results, along with the spring MAP data from this year were shared. According to our MAP data we made considerable growth in all grade levels, however we are still below the district and national average.

#### ❖ **Staffing for next year:**

We are pleased to announce we've hired Lisa Swanson to be a secondary teacher at Voznesenka. She will replace Michelle Thornton. We will have a new opening for a half-time Title One position. This position will likely be used for MS interventions. Both Clayton's PE position and the Title One position are advertised.

#### ❖ **PTA Field Trip Support:**

Voz PTA would like to support each classroom teacher for field trips. They are thinking about \$400.00 per classroom teacher. K/1, 2/3, 4/5, MS, and HS would each receive \$400.00 to offset the cost of a trip. The district bussing formula was shared with the PTA.

#### ❖ **Other items:**

The Plannings and Operations director, along with the Student Nutrition Services director will be at Voznesenka School on Thursday, April 25<sup>th</sup> to meet with the PTA to discuss menu items, kitchen design, and kitchen equipment for next years' hot lunch program.
