## Committee Charge for Federal Programs Advisory Committee

<b>Name:</b>	Federal Programs Advisory Committee
<b>Department:</b>	Instruction
<b>Focus Area:</b>	Advisory for the development and implementation of supplemental services as provided through NCLB programs.
<b>Membership:</b>	Parents and community members from schools operating supplemental programs funded through NCLB programs. KPBSD employees working within these areas also serve as advisory members.
<b>Type:</b>	Advisory
<b>Meeting Dates:</b>	Once per year required. Additional meetings as needed.
<b>Recruitment:</b>	Ongoing
<b>Advertising:</b>	Through website, newspapers and direct contact.
<b>Duration:</b>	Ongoing

This committee reviews district data and makes recommendations for districtwide activities in keeping with the state and federal regulations for grant programs.

Due to the vast expanse of KPBSD and continued lack of committee participants on a standing basis, six short PowerPoints have been developed. Schools are required to present these to their site councils on a rotational basis and obtain stakeholder input.
