

**Angela McKinney**  
**KPBSD Golden Apple Award Recipient**  
**March 4, 2002**

If an event is occurring at Chapman School, you can rest assured that Angela McKinney will be there, either supporting or organizing the event. She is an exceptional parent, consistently advocating for quality education and she is always involved in the education of all children.

Angela has contributed to creating an environment, at Chapman School, of which all can be proud. Gregg Wilbanks, Chapman School principal, says Angela evokes dedication and commitment, above and beyond, anything that he has ever seen from a parent.

The Kenai Peninsula Borough School District Board of Education appreciates Angela McKinney and her dedication to helping the youth of Anchor Point. Please join us in honoring her outstanding service to the Kenai Peninsula Borough School District.
