

Darrell Hagen
Golden Apple Award Recipient

Darrell Hagen began his tenure with the Kenai Peninsula Borough School District in 1983 as a social studies teacher at Soldotna Junior High School and has remained a member of the middle school staff for the past eighteen years. Prior to moving to the Kenai Peninsula, Darrell taught for eleven years in North Dakota and Minnesota.

Mr. Hagen demonstrates his teaching expertise and dedication daily as he works with the youth of Soldotna. Darrell gives generously of his time and often his work extends well beyond the school day. The high standards and expectations, along with practical lessons, that Darrell presents to his students result in his being remembered, fondly, by many of his former students as they continue the process of life-long learning.

On behalf of the entire education community, we, the Kenai Peninsula Borough School District Board of Education, thank Darrell Hagen for his outstanding service and dedication to education.
