

Debbie Falk
Golden Apple Award Recipient
April 3, 2006

Debbie Falk is a strong advocate for students. As Nikiski Middle/High School's career and guidance assistant, Debbie works countless, dedicated hours that are crucial to the school's operation and success.

Debbie manages the counseling office with professionalism and tact while performing a myriad of duties. No matter what the task before her, she is always pleasant, cheerful and willing to assist in anyway possible. She is a common thread that connects the various factions of the school.

Debbie maintains high standards in her management of school records. She also works with students and fellow staff members to organize graduation, senior parent committees, awards night and with the National Honor Society and Upward Bound.

She has the ability to see the "big picture." As a long time member of the Nikiski community, Debbie has a vested interest in the success of the community's students. She advocates for Nikiski students; she is their cheerleader and their confidant.

The staff and students of Niksiki Middle/High School join with us, the Board of Education, in congratulating Debbie Falk on her outstanding service to education and to the Kenai Peninsula Borough School District.
