

**Guy Hayes**  
Golden Apple Award Recipient  
February 3, 2003

Guy Hayes epitomizes the term "community service." Mention Guy's name in public and kids throughout the peninsula respond with respect and admiration for his dedication and concern for their well-being. Whether it be basketball coaching at Soldotna Middle School, coaching a Little League baseball team toward a state title, or helping in hundreds of little ways at the schools themselves, Guy dedicates his time unselfishly to the kids of the community.

Guy coordinates with the schools in the district to provide a place for recreation at the local roller-skating facility. He is known for his flexibility and cooperation with the teachers and administrators in the district, and for his positive attitude and encouragement to the students of the district.

Guy never fails to notice when our kids are "doing the right thing," and is never too busy to listen to our students. Parents and educators alike are thankful for Guy's commitment to the youth of the Kenai Peninsula.

Tonight we, the Board of Education, are pleased to recognize Guy Hayes for his dedication and outstanding service to the students of the Kenai Peninsula Borough School District.
