

**Guyline Rogers**  
**Golden Apple Award Recipient**  
**March 1, 2004**

Guyline Rogers has been a school district team member for 13 years; starting in 1992 as Kitchen Manager at Homer Intermediate and currently as school custodian at West Homer Elementary.

When asked to describe Guyline and her work ethic her supervisors and co-workers commented, “energetic,” “dependable,” “committed to excellence,” and “conscientious.” “Guyline is a gracious hostess to West Homer Elementary students, staff and local community groups; she is constantly concerned for everyone’s safety and the care of the facility.”

Guyline goes above and beyond the call of duty. During a recent flood, she was on the scene immediately to help clean and she stayed late to reassemble the classrooms getting them ready for the students’ arrival. Without her assistance the school may have easily obtained water damage which could have resulted in a school closure.

Guyline is a credit to the school and community. She has allowed students to work with her while they performed community service hours. Although she required them to work hard, the students gained more than community service hours, they learned to admire and respect Guyline.

Please join us, the Board of Education, in honoring Guyline Rogers for her outstanding service to the Kenai Peninsula Borough School District and the students that we serve.
