

Indy Walton **Golden Apple Award Recipient**

Indy Walton moved to the Kenai Peninsula in 1997; he began teaching at Skyview High School and is currently completing his fifth year as a member of the Kenai Peninsula Borough School District instructional team.

As an instructor, Indy leads his students with enthusiasm, knowledge and a positive attitude. He is a district leader in integrating technology into his classroom instruction, making his lessons both relevant and meaningful. His knowledge of and implementation of technology are the reason that Indy Walton has been nominated for district recognition.

When recruiting teachers, the district often has to demonstrate and convince "lower 49" instructors that the Kenai Peninsula Borough School District has moved into the 21st century. Crossing this hurdle had become a difficult task because the video that was being used as a recruitment tool was approximately fourteen years old. When approached to assist in the making of a new, updated recruitment video, Indy single-handedly took charge of the project. His selection of music and scenic photography are enough to entice us all to move to the Kenai Peninsula. . .all over again.

We, the Board of Education, applaud Indy Walton and his outstanding service to the Kenai Peninsula Borough School District.
