

Jimmy Love  
Golden Apple Recipient  
September 8, 2003

Jimmy Love, a 1990 graduate of Soldotna High School, joined the district's business office staff in 1996; he has served as an Accounting Specialist and currently holds the position of Payroll Specialist I.

Jimmy was instrumental in preparation of the overwhelming retro-active payment project which the district encountered following last year's contract settlement with all three employee groups. This was no small endeavor; a project of this magnitude had never been undertaken by the district's limited payroll staff and Jimmy was a key player in the successful completion of the monumental task.

In addition to assisting with the district's monthly payroll of approximately 1800 checks, Jimmy monitors employee's leave time. He has a good rapport with school district employees and is always willing to go above and beyond to assist in finding solutions to employee's questions regarding the many facets of payroll. Jimmy's flexibility and positive attitude provide support to his co-workers and aid in the efficient operation of the business office.

The Kenai Peninsula Borough School District Board of Education extends recognition to Jimmy Love for his outstanding service to the school district. Congratulations, Jimmy!
