

## **Lisa Bote-Phillips**

### **Golden Apple Award Recipient**

Lisa Bote-Phillips has been employed by the Kenai Peninsula Borough School District since 1999. During her employment as a special education vocational assistant at Kenai Central High School, Lisa has been an inspiration to the many students and adults with whom she comes in contact.

Lisa is a positive role model for students; she treats students with respect, patience and understanding. In addition to her daily tasks, Lisa frequently finds time to volunteer her services for special projects. Most recently, Lisa organized a luncheon, "Bridging the Gap," for students participating in the KCHS Work Experience Program, their employers and community leaders. The outstanding efforts extended by Lisa in this project are consistent with the way she approaches her work with students- she gives 100%.

Tonight's recognition of Lisa is well deserved and, we, the Kenai Peninsula Borough School District Board of Education are proud to present Lisa Bote-Phillips with a Golden Apple Award to acknowledge her outstanding service to the school district and its students.
