Nadejda Reutov
Support Staff

“Nadejda Reutov is a custodian who is dedicated to her job and the Voznesenka School. Her eight and a half years of exceptional service have made our school a welcoming place for students, staff and visitors,” said Michael Wojciak, school principal.

Nadejda has a “do what it takes” type of attitude and often goes above and beyond her job duties for our school. Essential responsibilities include cleaning, maintenance, safety and security, and teamwork. Not only does Nadejda excel at her job duties, she is also an effective communicator with a pleasant personality. She greets students and staff in the hallways and passing between buildings. As a result, she has gained the respect of the students. This is evident by their attention and reaction to her voiced concerns about the upkeep of the school. Furthermore, Nadejda communicates with her colleagues throughout the school on a daily basis. She pays attention to details and puts forth her best efforts to fulfill any requests. She rarely misses a Site Council meeting, and is always willing to be open and honest about the issues involving the school.

When Nadejda does need to be away she never leaves it up to the school to find a substitute, and takes care of this on her own. She makes sure the substitute has the necessary keys and everything is prepared at school to make a substitute’s work as easy as possible. Nadejda is also a kind donor and volunteer to Voznesenka School. She often brings homemade goodies to share with staff, she donates to school programs like consumer science, and she and her husband help with repairs when needed.

Principal Wojciak said, “Nadejda Reutov’s personal pride is visible within our school, she pours her passion into every aspect of her job. She never complains about her responsibilities, is understanding in regard to school activities, and takes initiative without needing direction. Nadejda has an incomparable work ethic and is an invaluable member of the Voznesenka staff and school culture.”

The Kenai Peninsula Borough School District Board of Education is proud to recognize Nadejda Reutov for her dedication to the students of the school district, past, present, and future.
