

Pam Howard

Golden Apple Award Recipient

Since joining the Kenai Peninsula Borough School District team in 1991, Pam Howard has served as school nurse at Kenai Middle School.

The positive rapport that Pam has established with students, family members, and staff allows her to effectively perform her duties as school nurse. However, Pam's building administrator sees Pam Howard as much more than a school nurse; he sees Pam's role as a Kenai Middle staff member as being a student and family counselor but most importantly, he sees Pam as an advocate for student's needs.

Pam Howard is a dedicated health practitioner, focused on helping children, staff and community. She is an integral member of both the Kenai Middle School and the Kenai Peninsula Borough School District staff.

Tonight we are pleased to recognize Pam Howard for her dedication and outstanding service to the students of the Kenai Peninsula Borough School District.
