

## **Soldotna Trustworthy Hardware Golden Apple Award Recipient**

In today's society, it is more important than ever for communities rally behind their local schools and support students and staff in their academic and extracurricular endeavors. Soldotna Trustworthy Hardware is to be commended for its interest in and concern for our local students and schools.

We have invited Mr. Paul Miller, owner and operator of Soldotna Trustworthy Hardware, here this evening to express the gratitude that the Kenai Peninsula Borough School District has for his incredible generosity and assistance. The employees and management of Soldotna Trustworthy Hardware do not hesitate to provide support, sponsorship, supplies and their expertise to staff and students alike.

Contributions from local businesses, such as Soldotna Trustworthy Hardware, have enabled the Kenai Peninsula Borough School District to accomplish far more than it could have otherwise without their support. On behalf of the Board of Education, thank you for your continued support.
