NEWS RELEASE

Remote Learning extends for 34 KPBSD schools

Soldotna, November 12, 2020—KPBSD schools in the central, eastern, and southern Kenai Peninsula will continue with Remote Learning for an additional two weeks, through Thanksgiving Break. [KPBSD small schools](#) operating in low COVID-19 risk will remain open with the onsite-at-school learning option. KPBSD Connections Homeschool is open. Schools are closed Thursday and Friday, November 26-27, 2020.

Student groups (pre-k, kindergarten, Special Education Intensive Needs students) who attend KPBSD schools during High Risk operations will attend school onsite on Friday, November 13, 2020. If there will be a future change that would begin Monday, November 16, 2020, it will be announced by Friday afternoon. District leadership is requesting clarity from the State of Alaska to determine clarification and intent for school operations after [Governor Michael J. Dunleavy's statewide message the morning of November 12, 2020](#).

KPBSD school safety and mitigation plans are in place, which require 6' physical distancing, and wearing of masks. Superintendent O'Brien said, "Thank you for your patience as we work through school operation details related to the Governor's urgent message this morning. I join the Governor's appeal when he said, 'For the next three weeks, I am asking you as the governor of Alaska, that we do everything possible to reduce these cases and bend this trend downward.' I thank you for your continued and renewed efforts to keep our students, families, staff, and communities healthy and safe."

Small schools

Six small KPBSD schools in Cooper Landing, Hope, Nanwalek, Port Graham, Seldovia, and Tebughna will also continue to operate in low COVID-19 risk, and offer both 100% Remote and onsite-at-school learning options. A shift to 100% Remote Learning could happen at any time if there is positive COVID-19 in these communities.

KPBSD operates schools with plans defined in the [KPBSD SmartStart 2020 Plan](#), that was built with approval from the Board of Education, and review and feedback from DEED and DHSS. Decision Basis about operations in risk levels

To determine if schools should operate in 100% Remote Learning, or offer options for 100% Remote Learning and onsite at-school learning, district leadership and the KPBSD Medical Advisory Team:

- Analyze the [14-Day positive COVID-19 case counts](#)
- Analyze the 7-Day positivity trend
- Consult with public health contact tracing knowledge, and local medical providers
- Review the KPBSD [COVID-19 Positive Case in a School Decision Matrix](#)
- Based on this analysis and scientific data, the medical advisory team (which now includes a mental health professional) closely watch positive cases, types of community spread, and offer informed insights about safely operating schools during a pandemic.
