# NEWS RELEASE

## Community Survey: Be involved in the KPBSD Superintendent of Schools Search

**Soldotna, November 20, 2020**—The KPBSD Board of Education seeks public input into its process to select the next superintendent of schools. The school board has sole responsibility for the selection of candidates, final interviews, and selection of the superintendent, and McPherson & Jacobson LLC search firm is conducting a survey. Results will be shared with the Board of Education so they can consider the views and interests of the public to help guide their decisions.

**[A Community Input Survey is open through 11:59 PM on December 7, 2020](#)**

The brief survey invites public comments through four primary questions. The school board requests everyone who cares about schools, including parents, students, KPBSD staff, site councils, PTAs, volunteers, business and community organizations that partner with schools, community groups, elected officials, and the public to participate.
