Who are the State Legislators
for KPBSD schools?
#AKlearns #AKleg #AKgov

KPBSD is analyzing the impact of a proposed \$22.4 million reduction in state education funding. Staffing, programs, sports, class size, school consolidation, district supports, pools, theaters ... are all areas for potential cuts in KPBSD to solve unprecedented funding reductions. Participate in community budget meetings. Contact your state legislators and Borough Assembly members. Be involved.
