FY24 Preliminary Budget Process – Projected Enrollment

The process used to project the FY24 enrollment is based on a straight-line method. The steps involved were:

1. Grades at all school sites were moved ahead one grade level with some variance based on principal input.
2. Charter school enrollment projections are in concert with the contractual agreement between the School District and the charter school.
3. AR 6183 (c) notes the enrollment staffing for Homer Flex, Kenai Alternative and Marathon locations.
4. Kindergarten enrollment was based on the average of actual enrollment, for FY21, FY22 and FY23 and administrator recommendations.
5. Sites affected by feeder schools were adjusted appropriately

The projected enrollment for FY24 is 8,450

The District was required to submit the FY24 enrollment projections to the Department of Education and Early Development on November 5, 2022

Total	\$85,148,189	\$84,191,124	\$84,689,387	\$78,992,759

- State of Alaska – FY24 Base Student Allocation increase by \$30 to \$5,960
- Hold Harmless Provision – Expired in FY23
- Decrease of Foundation Funding, Quality Schools and One-Time payments reduced revenue by (\$6,351,505)

Why the drop in State of Alaska funding when we have an increase to the BSA?

FY24 - \$30 dollar increase to the BSA provided about \$500K in revenue.

In FY23, the hold harmless provision in the foundation formula provided approximately \$900K in funding. The final year of the hold harmless provision was FY23.

The Full and True value of taxable real and personal property within Kenai Peninsula Borough (KPB) increased by approximately \$800M. As a result, the amount of Regular State Aid is reduced, and increased the amount that KPB could provide.

Preliminary FY24 General Fund Budget – KPB Revenue

	FY22 Actual	FY23 Original	FY23 Revised	FY24 Preliminary
KPB Appropriation	\$36,537,314	\$39,741,388	\$39,741,388	\$41,930,218

Total	\$50,000,000	\$52,564,284	\$52,564,284	\$54,753,114

KPB maximum allowable funding is \$2.18M over FY23 due to the increase in the Full and True value of taxable real and personal property.
