The District purchasing office shall purchase from the lowest qualified, responsive, and responsible bidder or business. When bids or quotes are within 5% of being equal, preference may be given to local businesses who operate within the Kenai Peninsula Borough if it is determined by the Superintendent to be in the best interest of the District. For the purpose of this policy, a local business is defined as: any business or company having a physical presence in the Borough, registered in the Borough to collect sales tax, and locally provides the products and services sought. This policy will not apply where the provisions of an applicable statute, regulation, or grant prohibit local bidder preference.

Subdivision Prohibited: No project or bid specifications shall be subdivided to avoid the requirements of this policy, but this provision does not preclude use of alternate deductible items.

Please note that local preference conditions will most likely not apply to this bid.
