

Bid Specifications

The Kenai Peninsula Borough School District plans to purchase an average of 20-40 bottles of water per week during each school year (August thru May). The bottles are to be palletized for drop off.

During the school year(s) of 2022-2023, the District purchased approximately 880 bottles of water and 2023-2024 purchased approximately 850 bottles of water.

Orders will be placed by phone, email, or fax on a weekly basis with a minimum of 4 days' notice for delivery.

Bid will be awarded to one vendor based on the unit price per 5-gallon bottle of water.
