The following question was received:

Question: We had a question about the warranties that should be applicable to the Dell Pro and Dell Pro Plus laptops as well as the Dell Pro Slim desktops. In the past, the laptops have always included 1YR Basic and the desktops 3YR Basic, but those details are not called out in the ITB, and we wanted to clarify as able.

Answer: KPBSD is a certified warranty self-maintainer, and requests only the most cost-effective, standard level of hardware support for the units listed below. No premium support services, extended warranties, or accidental damage coverage(s) are requested:

Chromebook 11: 1Y Basic

Pro 14: 1Y Basic
