WHY CHOOSE KPBSD?

WHAT YOU NEED TO KNOW

- Special education staff work in a highly collaborative environment and are committed to creating a rigorous and rewarding atmosphere that leads to measurable student growth for all students
- A multi-tiered system of support is in place at all schools
- Differentiated instruction is the norm. Students are screened three times a year using curriculum-based measures and diagnostic tools to determine the need for additional intervention support or enrichment
- Our district culture maintains the education of all students and is a responsibility taken on by the entire school staff
