Your information will appear in your PowerSchool PLCP screen the next day.

PERSONAL LEARNING AND CAREER PLAN

[? Help & Tutorials](#)

The Personal Learning and Career Plan is a tool that can help you set goals and make plans. It displays important information you've saved in your portfolio, such as your career goals and educational plans. Review your Personal Learning and Career Plan to remind yourself of the career and education plans you've made. This will help you plan your next steps.

To create your Personal Learning and Career Plan document, click the Generate PDF button. Depending on how your browser is set to handle PDF files, you may be asked to save your Personal Learning and Career Plan on the computer before you can view it.

Print or view your Personal Learning and Career Plan document and note the blank areas. To make updates or corrections, expand the associated section (listed below), update the entries, and then regenerate the PDF file.
