

The Dr. John Nels Anderson Scholarship Fund

The Dr. John Nels Anderson Scholarship committee, on behalf of the City of Soldotna, will conduct an annual scholarship process to determine who will receive scholarships from the Dr. John Nels Anderson Scholarship fund. The City of Soldotna manages a scholarship endowment which was funded from Dr. Anderson's family in his memory.

Dr. Anderson was a dedicated physician to the residents of the central peninsula for 36 years. He delivered over 5,000 babies in that time and was also the only physician in the state who offered services for in vitro fertilization. He believed strongly in education and public service and was on the KPBS School Board for 16 years. He also served on the Soldotna City Council and twice as mayor of Soldotna including at the time of his death. He was a strong advocate of Scouting and served many years as a scout master and in various other district scouting positions. 5 of his children graduated from SoHi. He believed in all types of post secondary training and as a result two types of scholarships will be funded - two for those pursuing an 4 year degree that could lead to a profession in a medically related to field and one for trade or vocational or trade school in a medically related field.

The Dr. John Nels Anderson Scholarship Fund Committee awards scholarships based on the qualifications of each applicant. There are two types of scholarship awards available for students applying for a Dr. John Nels Anderson Scholarship:

1. Recipients pursuing a four year post secondary education will receive either a one-time \$1,500.00 scholarship or a one-time \$800.00 scholarship.
2. Recipients pursuing an education in a vocational/technical school will receive a one-time \$1,000.00 scholarship.
