The Homer Kachemak Bay Rotary Club is sponsoring scholarships for the 2024-25 academic year for applicants attending any academic institution OR vocational program, who demonstrate the best combination of financial need, career goals and Rotary principles. A vocational program is defined as a program leading to an industry certificate, or other certificate of completion which would enable the recipient to obtain entry level career employment. This need not be in a traditional vocational area such as welding or other trade, but may include culinary arts, specialized business training, or medical training such as nursing or EMT training; it need not be a degree program.

2. Applicants must be admitted to their institution/program of choice by award date.
3. Applicants must be enrolled in an academic institution with a minimum of 12 credits of a Workforce Certificate Program.
4. Applicants must have a minimum cumulative grade point average (GPA) of 2.50. Verification of GPA will be made prior to disbursement of scholarship award.
5. Other financial awards will be considered to determine financial need for these scholarships.
6. Applicants may be asked by the Rotary Scholarship Committee for a personal interview.

WHAT IS ROTARY?

Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

OUR MISSION

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

FOUR WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

If we abide by this test in whatever we do in our personal lives and in our chosen vocations, we will be will on our way toward leading productive lives that are sensitive to the needs and feelings of our fellow man.
