Dear Graduating Students and Parents,

We at Emblem Club #350 are so proud to be able to offer two hard working graduates scholarship funds to continue their educational goals. As a community non-profit organization, we earn our funds through hard work and community projects of giving and supporting our youth, elders, and service men and women in our community. Emblem #350 is a local group which is part of the Alaska State organization as well as the National Emblem. Locally we are a group of approx. 100 volunteers. We serve the community by supporting Literacy, Food Security, Americanism, Drug Awareness, Disaster Preparedness, and our own personal volunteer pursuits.

We aim each year to award two scholarships of \$1,000 each to students who exemplify these same values thru their own work, academics and talents. Applications do not have to be at the top of their class. The well-rounded student with a sound academic record and goals are what we look at.

We look forward to reviewing your applications.

Truly,

Jan Machuzak

Emblem Club #350
