**COMMUNICATIONS AND
PETITIONS:**

(7:08:16 PM)

Dr. Atwater reported that the Alaska Central Engineering Company is conducting energy audits on several District schools. The audits are paid for with the company's American Recovery and Reinvestment Act (ARRA) funds that will recognize energy deficiencies, and recommend upgrades that will pay for themselves through energy savings. He reported that he is working on the next steps regarding the nearly complete five-year Long Range Plan and expects to have a recommendation for the Board at the September Board meeting. He announced that hiring for school staff is nearly complete and that Pegge Erkeneff was selected to be the communication specialist and Mike Crawford will be the webmaster.

**SUPERINTENDENT'S
REPORT:**

(7:12:33 PM)

Dr. Atwater presented the 2010-2011 Site Council Evaluation Reports from each school. He noted that input on the Student and Parent Handbook were extremely active on input regarding the handbook update. He noted that parent training participation has declined over the past several years and asked the Board for suggestions on how best to train parents and suggested that regional training might be best. He reported that Governor Parnell has signed HB115 which is known as the "student concussion bill" and that the District will now require that parents and students receive written information on the nature and risks of concussions. He noted that beginning August 1, students and parents will be required to sign a verification of receipt of the concussion information before students can participate in cocurricular activities. He reported that roofing projects are underway and that interested persons can contact him for individual school status reports. He announced that the preliminary financial audit was completed in June and that there were no findings. He announced the retirement of Anchorage School District's superintendent Carol Comeau at the end of the 2011-2012 school year and the sudden death of the Mat-Su School District superintendent, Dr. Kenneth Burnley.

HEARING OF DELEGATIONS:

(7:17:11 PM)

Mr. Daniel Parrent, U.S. Forest Service, spoke to the Board regarding the possibility of heating the Seward area schools with wood pellets and to apply for grant funding through the USDA Forest Service and the Alaska Energy Authority to pay for the necessary mechanical systems. He reviewed the possible cost savings to the District. Mr. Thomas Deerfield, Dalson Energy, urged the Board to apply for grant funding and outlined the timelines for the phases of the project.

FINANCIAL REPORT:

(7:53:58 PM)

Mr. Jones presented the financial report of the District for the period ending May 31, 2011.

BOARD COMMENTS:
(8:05:10 PM)

Mrs. Vadla thanked Mr. Parrent and Mr. Deerfield for the wood pellet heating presentation. She noted that she appreciated the Board laptop computer to use for paperless meetings and added that she had some difficulty viewing the General Information Packet. She reported that she enjoyed the schools' site council evaluation information.

Mrs. Crawford thanked Mrs. Downing for serving as Board president in Mr. Arness' absence. She stated that she is excited that the Board is conducting paperless meetings. She was pleased that the Board approved a one-year teacher exchange for Jason Daniels to teach in Australia. She congratulated Dr. Atwater on the renewal of a three-year contract. She thanked the administration for the work on admin evaluation.

Mrs. Hilts echoed previous comments by Mrs. Crawford. She stated that, although the most important function of the District is educating students, the District is also responsible for buildings, roofs and heating. She stated that she is glad that the superintendent signed another contract with the District. She stated that she is looking forward to the use of the new teacher and administrator evaluations, because they are a measurement of what the Board expects. She stated that she has enjoyed using the new laptop computer for the Board's paperless meeting and that there were a few glitches to work out.

BOARD COMMENTS:*(continued)*

Ms. Hohl suggested the Board learn how to change the settings so laptops will not go into standby mode. She expressed appreciation for the site council evaluation document and suggested that a plan be developed based on the comments and feedback. She noted that the administrator evaluation document was not reviewed by the public. She noted that she attended the feasibility review of the Seward area schools regarding possibility of heating with wood pellets. She welcomed Dr. Atwater back for another three years.

Mr. Navarre thanked the Board for a good retreat on June 6 and for conducting the self-evaluation. He noted that on August 17 the Board will continue their work on a couple of the goals. He thanked the superintendent for his service and looks forward to conducting an evaluation of superintendent salaries elsewhere so that the District will have the ability to keep a qualified superintendent. He stated that the project in Seward is worthy of a feasibility study. He stated that the Board is moving in the right direction with paperless meetings and added that staff in the Borough Clerk's Office is excited to see it coming. He reported that the Borough is working towards becoming paperless and are considering several options. He suggested that the District provide a Smartboard for the Assembly Chambers as a contribution for the use of the room. He thanked Eric Soderquist for his assistance with the Board laptops.

Mrs. Downing asked that Board members stay after the meeting adjourns to learn how to keep laptop monitors from lapsing into standby. She expressed appreciation for the work of senior management and added that it is wonderful to see the changes that have been accomplished over the past year.

Ms. Hohl noted that the Borough pays approximately \$5,000 to broadcast Borough Assembly meetings to outlying communities and suggested that the School Board consider radio broadcast.

ADJOURN:*(8:17:45 PM)*

At 8:17 p.m., Mrs. Downing adjourned the School Board meeting.

Respectfully submitted,

Mrs. Liz Downing, Vice President

Mrs. Sammy Crawford, Clerk
