Mayor Nels Anderson
177 North Birch St.
Soldotna, AK 99669

Dear Mayor Anderson:

I am writing on behalf of the Kenai Peninsula Borough School District to thank the City of Soldotna for providing funds for the completion of the Soldotna High School track and field project. I very much appreciate the city council's willingness to expend the city's tax payers' monies for this purpose.

Schools and school districts around the country strive to establish and then maintain a good relationship with their local governments. Thanks to your and the other city council members' leadership, I am pleased to boast that such a relationship between the City of Soldotna and the city's schools exists. Please know that your support for the track and field came at a critical point in the project.

Sincerely,

Steve Atwater, Ph.D.
Superintendent of Schools

SUBJECT: Ordinance 2014-19-30, accepting and appropriating a grant in the amount of \$463,100 from the State of Alaska on behalf of the Kenai Peninsula Borough for the extension of paved lighted pedestrian path, K-Beach Elementary School to Kenai Peninsula College

The Kenai Peninsula College, Kenai Peninsula Borough School District and Alaska Christian College requested funding in the borough's 2014 State Funding Priorities (page 115) to extend a paved walking path from Kalifornsky Beach Road, along East Poppy Lane approximately 4/10th of a mile, ending at the intersection of Poppy Ridge Road. Funds in the amount of \$463,100 have been approved in the State of Alaska FY15 State of Alaska Capital Budget. Senate Bill 119, which authorized the award of the funds to the borough, was passed by the State Legislature and signed by Governor Parnell on May 30, 2014.

The Alaska Department of Commerce, Community and Economic Development has provided the grant award of \$463,100 to the borough and has authorized the borough to enter into a third-party agreement, allowing work to be completed on borough and college property by way of a proposed easement. The borough is currently working with the college and the City of Soldotna to ensure that the maintenance and ongoing responsibilities of the pedestrian path are assumed upon substantial completion.

The grant performance period ends June 30, 2019. Capital Projects shall provide grant oversight and project completion.

Shortened hearing is requested as the state's deadline for signing the grant agreement is November 25, 2014, which is the date of the next assembly meeting after October 28, 2014.

BACKGROUND INFORMATION

Section 3 of last year's education omnibus bill (HB 278) repealed and reenacted AS 14.03.075. This is the statute that required the High School Graduate Qualifying Exam. The amendment to this statute requires students to take a college and career readiness assessment. The three options for this assessment are: SAT, ACT or WorkKeys. Our juniors and those seniors who have not previously taken one of these tests have declared which test they will take. The following table summarizes these choices. As was explained to you last month during the assessment report, the district had the option to offer either the ACT or the SAT and chose the ACT. Students wanting to take the SAT will receive a voucher to do so.

KENAI PENINSULA BOROUGH SCHOOL DISTRICT

NEWS RELEASE

Assistant Superintendent Dusek will take over district leadership December 1, 2014

Soldotna, October 23, 2014—At the October 20, 2014, Board of Education meeting, the school board, “unanimously approved a Contract Amendment for the Interim Superintendent.” Thus, current assistant superintendent Sean Dusek will become the superintendent of the Kenai Peninsula Borough School District effective December 1, 2014.

Board president Joe Arness said, “The KPBSD school board is proud and happy Mr. Sean Dusek accepted the position of interim superintendent. We consider ourselves fortunate, indeed, to have someone with his credentials and abilities already on staff and ready to assume the leadership of our district.”

In an email to all employees on October 21, 2014, Mr. Dusek wrote, “KPBSD is widely perceived as strong and innovative. I truly believe that. I have been a part of this district for more than 22 years and am deeply committed to our students, staff, community, mission and vision. My wife, Lynn, and I are proud parents of two children who have been in our school system from the start of their public education. Lynn is also a graduate and retired, long-time teacher from our system. We have witnessed first-hand the dedication and effort the KPBSD staff demonstrates on a daily basis to meet the needs of all students. ... I believe our district has the will to catch greatness, and as your superintendent, I will work to make that vision a reality, serving every child, every day, for a better tomorrow.”

“I am pleased that the Board has chosen Mr. Dusek to be our district’s interim superintendent,” said Steve Atwater, superintendent. “Sean brings a wealth of knowledge about KPBSD and a good understanding of each of our initiatives to make his transition to superintendent a smooth one.”
